

Zachariah Jones

zjones1998@att.net 405-426-0046

Goals:

Obtain an entry level computer or software engineering position.

Education:

Bachelor of Science in Computer Engineering w/ Software Emphasis
Oklahoma Christian University – Edmond Oklahoma

Graduation April 2021

GPA: 3.21

Courses of Interest

- **Embedded Systems:** Built a pool controller by using microprocessors and an external web application build from scratch.
- **Object Oriented Programming** – made a POS that communicated with a MySQL server.
- **Systems Design** – Utilized Apple Wallet technology to dynamically create passes from http requests and stored said passes in a Mac Mini database.

Work Experience:

Tinker Air Force Base, Civilian Service: Intern

Summer

2020

- Led development team that turned around an application in a week.
- Worked on a testing team that communicated with Development Team.
- Wrote unit tests and tested for bugs in the Dev team's software.
